FROM : Embassy, OTTAWA

DATE: 13 April 1966

SUBJECT: Unidentified Flying Objects

REF:

Frequent recent reportings of unidentified flying objects at various points in Canada have led to considerable interest in the subject in the House of Commons. The Library of Parliament has asked the Embassy whether any recent published reports on unidentified flying objects in the United States are available.

The Embassy has no publications which meet the needs of the Library of Parliament. It would be appreciated if the Embassy could be informed whether there are any such publications in the past two or three years. If there are any such publications available for distribution without charge, the Embassy would appreciate receiving two or three copies of each such publication. If publications are not available without charge, information concerning the source from which such publications can be purchased and the purchase price would be appreciated.
